**A Meritorious
Product**

Any macked and continuous
preference shown for a prod-
uct, is surely an "indication
of its merit"—and only mer-
itorious things are worth ad-
vertising.

By years of consistent ad-
vertising, the Sego Milk Pro-
ducts company has shown its
faith in the superiority of
SEGO.

There could be no more
convincing proof of the un-
usual merit of SEGO MILK,
than the fact that housewives
have lauded its creamy rich-
ness and natural flavor for
years.

The Sego Milk Products
Company is proud to have
made Sego so good, that gro-
cers, too, take pride in recom-
mending it to their customers
as "Cream's Only Rival."

CREAM'S ONLY RIVAL

**KIDNAPS DAUGHTER
AND LEAVES TOWN**

Police officials of Pocatello, Idaho,
have requested local peace officers to
arrest and hold V. W. McDonald who
is alleged to have kidnapped his
daughter from his former wife at Po-
catello yesterday afternoon at 4 o'clock
and to have departed for Ogden.

Local police officials said today that
no trace of McDonald had been found.
The child's description as well as
that of the man has been furnished
to the police. The child was awarded
to the mother by the decree divorcing
her from McDonald.

Arrangements Made to Care
for 350 at Banquet
Tonight

About 350 will be in attendance at
the monthly membership dinner of the
Ogden Chamber of Commerce at the
Berthana this evening. It was an-
nounced today by Secretary Jesse S.
Richards. The dinner will start
promptly at 7 o'clock and will be for
men only, it is announced.

The entire program has been ar-
ranged under the direction of the Og-
den chapter of the American Associa-
tion of Engineers.

President Fred G. Taylor of the Og-
den chamber of commerce and Weber
club will preside.

SEVERAL SPEAKERS.

R. A. Hart, senior drainage engineer
of the U. S. department of agriculture,
will speak on "Drainage in Weber
County."

"Roads" will be the subject of an
address to be given by Howard C.
Mason, state road engineer.

Oro McDermitt, consulting engineer,
will speak on "Irrigation in Weber
County and Vicinity."

The principal address will be deliv-
ered by R. A. Caldwell, state engineer,
and a member of the Colorado River
commission, on "The Colorado River
Problem."

**ROWE'S NAME UP
FOR C. C. DIRECTOR**

Delegates of the Salt Lake Commer-
cial club who attend the annual meet-
ing of the chamber of commerce of
the United States, to be held at Wash-
ington May 16-18, will present the
name of Dr. H. M. Rowe of Ogden as
a candidate for director from the
Eighth district composed of the in-
termountain states. The board of gov-
ernors of the Salt Lake Commercial
club yesterday appointed Congress-
man E. O. Leatherwood and F. C.
Richmond, to represent that club.

**CASE SETTLED BY
PAYMENT OF FINE**

The case of the United States against
Brigham L. Meeks, charged with tres-
pass in the Wasatch national forest
during the month of August, 1920, has
been settled by the defendant paying
his fine, according to advices received
by E. S. French, assistant to the so-
licitor of the forest service, today from
Albert D. Walton, United States dis-
trict attorney at Cheyenne, Wyo.

**RELIEF SOCIETY TO
HEAR SUPT. BENNION**

Supt. Adam S. Bennion of the Lat-
ter-Day Saints church schools, will be
the speaker at the Fourteenth ward
chapel Sunday evening. The service,
which will commence at 7 p. m., will
be held under the auspices of the ward
relief society. The occasion will be
the annual conference of the society.
